ABOUT ATMIA EDUCATION

Atmia Education owes its extraordinary success to the visionary leadership of its founder and president, Dr. Hasmukh Vaghela, a distinguished academician and mentor with over a decade of experience. A top-ranking scholar in SSC and HSC Board Examinations, Dr. Vaghela has dedicated his life to transforming dreams into realities, empowering thousands of students to achieve remarkable careers.

Under his stewardship, Atmia Education has become synonymous with excellence and quality, earning numerous prestigious recognitions and international certifications. This commitment to global standards has established Atmia as a trusted institution for education abroad.

Dr. Vaghela's leadership ensures a seamless journey for students pursuing education abroad. From personalized counseling and admissions to comprehensive documentation, visa support, travel arrangements, secure hostel accommodations, and authentic Indian food services, Atmia takes care of every detail. Safety and well-being remain paramount, making it the most reliable partner for students and families alike.

With the trust of over 11,000 students and families, Atmia Education is celebrated as the Gold Standard for Education Abroad, backed by India's most decorated faculty members.

Through his unwavering dedication and innovation, Dr. Hasmukh Vaghela continues to inspire generations, proving that with the right guidance, no dream is out of reach.

DR. HASMUKH VAGHELA

President - Atmia Education

Dr. Vaghela's visionary approach has expanded Atmia Education's reach to 49+ ultramodern admission and student support centers worldwide, including a significant presence in the UAE. His exceptional team of former professors from renowned institutes such as AIIMS, IIT, IIM, and SVNIT equips students to excel in international exams, ensuring they secure bright futures in fields like medicine, engineering, and business.

Raise *the* Bar Entrepreneurship Educators Network

The Massachusetts Institute of Technology (MIT), in the United States of America, was founded in 1861 and is the world's leading institute of technology and Entrepreneurship Education (Management Courses). MIT's mission is to make the world a better place through education, research, and innovation.

In the QS World University Ranking of 2024, MIT holds a

#1 Position Across Disciplines

including technology.

It is also a global leader among several successful innovative startups.

A background image showing a group of students in a classroom or lecture hall, looking towards the right and smiling. The students are diverse in age and ethnicity. The image is slightly blurred, focusing attention on the text overlay.

The MBA Program *for a* Changing World

The MBA program, in response to shifting industry demands, prepares students for employment in “flexible” companies.

It centers around three main cores

- Organizational Structure
- Operational Excellence and Systems Thinking
- Practice and Project-Based Learning

Additional highlights include

- Funded Exchange Programs
- A one year or two year full-time curriculum focused on real-world practice

A Truly Unique MBA Experience

At SEU Georgia, we enable you with an environment that helps you realize your full potential and become a business leader for the 21st century. Working alongside high-achieving peers and world-class professors, you can build incredible competencies through our energizing, collaborative community that mirrors the diversity of today's global economy.

SEU's involvement in the prestigious MIT Business Network (USA) further demonstrates the university's high standards and strengthens its international position in entrepreneurship, innovation, and technological development.

One Year or Two Years **A World *of* Difference.**

Every day at SEU, MBA students learn to think critically, challenge the status quo, and collaborate with people from diverse backgrounds.

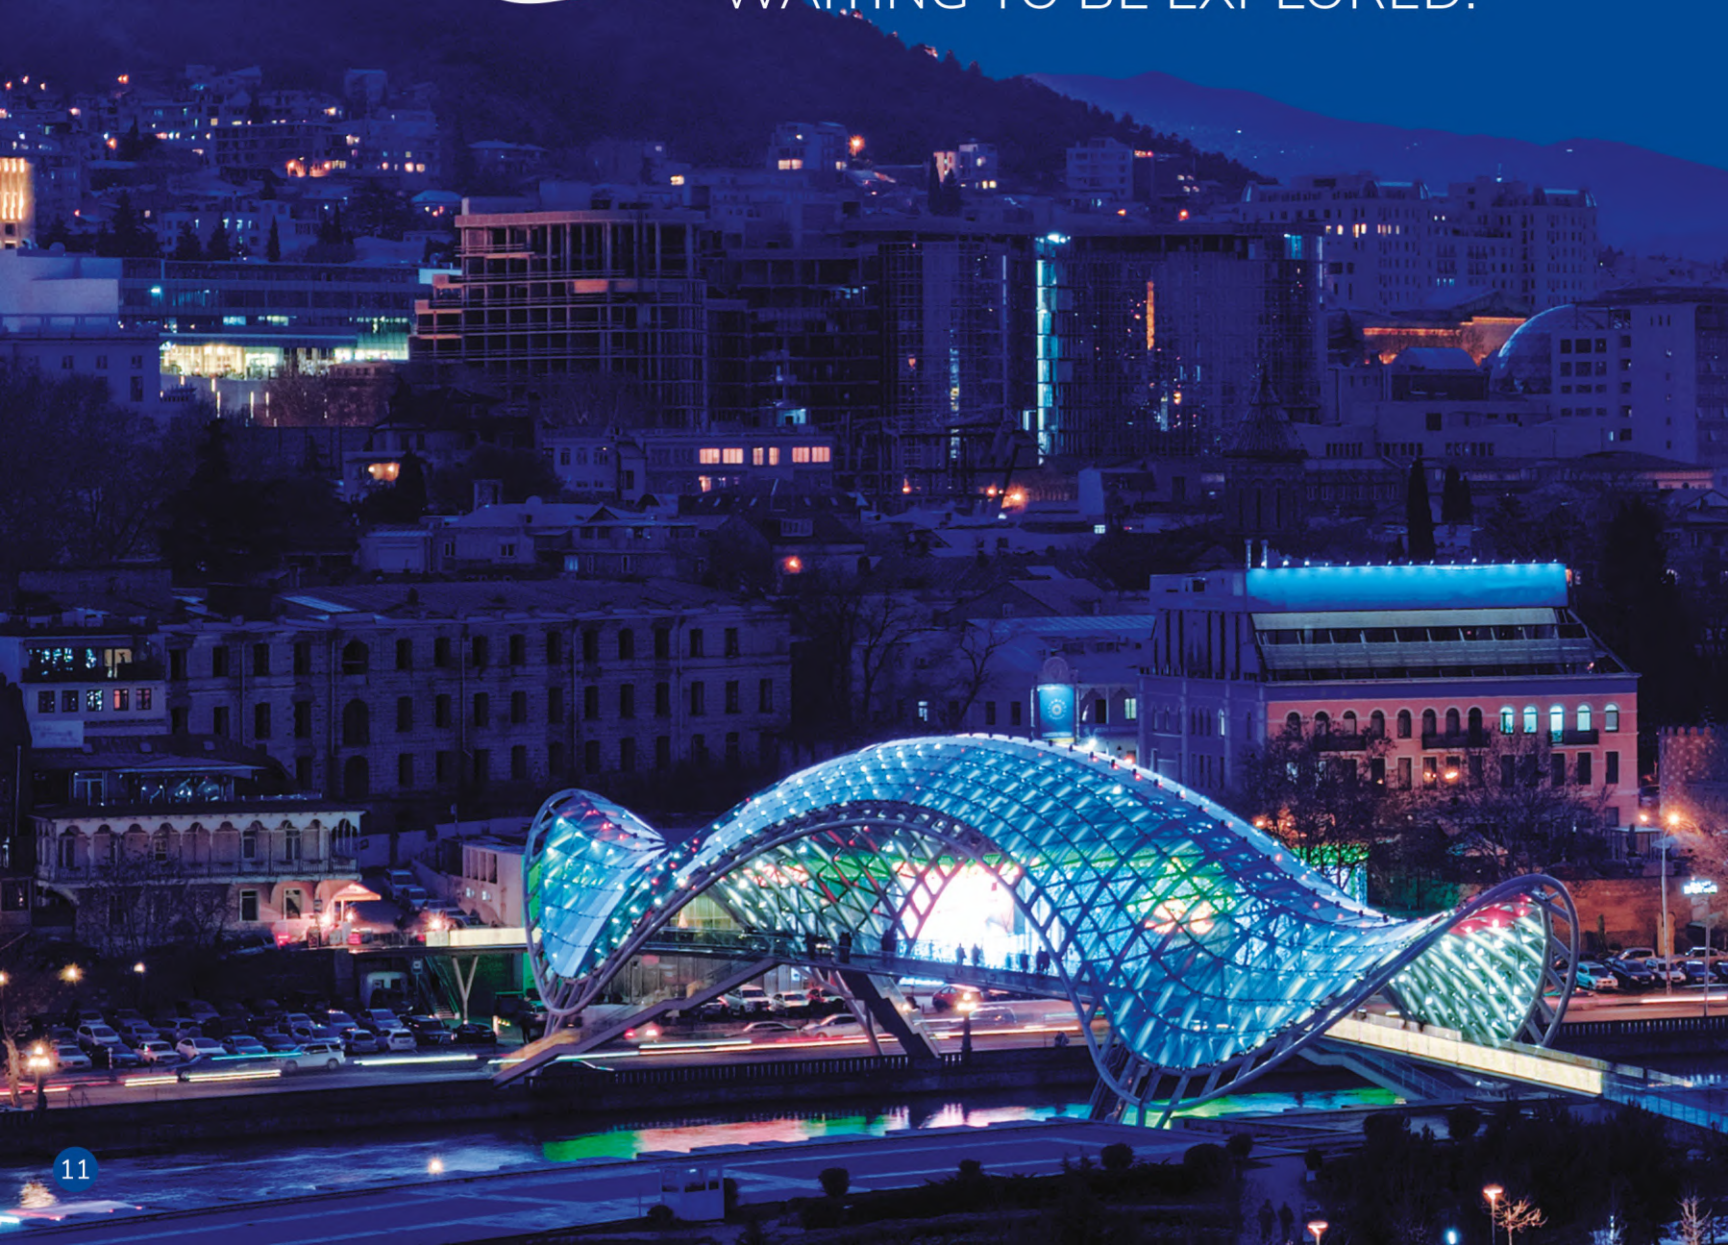

We call that the SEU MBA difference.
You will call it the opportunity of a lifetime.

GEORGIA

A WONDERFUL EXPERIENCE
WAITING TO BE EXPLORED!

GEORGIA'S RELATIONS WITH INDIA

In 2019, India and Georgia signed a joint program on Free Trade Agreement (FTA) which will make the relationship between India and Georgia set in higher level of genuine diplomatic friendship, and offer great opportunities to boost the growth of both countries on business and related spheres including strong broad-range opportunities in professional education such as the Medical Field particularly for Indian students.

Direct Flights from India to Georgia.

Georgia and India established fastest air connectivity to foster greater trade, investment, tourism, education and cultural exchange between the two countries. Georgia and India signed the Air Services Agreement (ASA) in Delhi. Indian carriers from any points in India can operate to any points in Georgia whereas carriers of Georgia established direct operation to six points namely: New Delhi, Mumbai, Bengaluru, Hyderabad, Chennai and Goa. Direct flights and the 'Open Sky' regime is very important for establishing business ties, fast economic growth and render beneficial accessibility especially to Indians studying in Georgia.

Bigger New Indian Embassy Coming soon in Georgia under FTA February 2020. Upcoming initiative between Georgia and Indian delegation is the possibility of opening a Larger New Indian Embassy in Georgia.

MESSAGE FROM THE PRESIDENT

Dear Future Leaders,

I am delighted to welcome you to the MBA program at Georgian National University SEU, where excellence, innovation, and global engagement converge. At SEU, we are dedicated to equipping you with the skills, knowledge, and entrepreneurial spirit essential for success in today's dynamic business landscape.

In our commitment to delivering world-class education, I am proud to announce a groundbreaking partnership between SEU and MIT (Massachusetts Institute of Technology) - one of the highest-rated universities in the world.

This exclusive collaboration allows our students to travel annually to MIT's campus in Massachusetts, USA, with full funding, providing unparalleled exposure to cutting-edge research, thought leadership, and networking opportunities.

In addition, our IT and Business School professors receive advanced training at the MIT Entrepreneurship Center, ensuring that they bring the latest global best practices into your classroom.

By joining SEU Business School, you become part of our International Business Accelerator, a unique platform created in collaboration with MIT Entrepreneurship. This accelerator will immerse you in a vibrant ecosystem of innovation and enable you to launch transformative ideas, expand your global network, and drive real-world impact.

SEU is recognized as a leader and a top choice for business education - attracting the best and brightest students year after year. Our graduates stand out in the competitive marketplace, thanks to our dedication to academic rigor, practical experience, and professional development.

Together with our international authorized exclusive partner institution, Atmia Education (India, GCC Countries, and the USA), I warmly welcome you to the SEU Atmia Family. Your journey begins here, and I cannot wait to see the remarkable achievements you will bring to life.

LIFE IN TBILISI CITY

(MOST DEVELOPED MEGA CITY)

TBILISI

GEORGIA'S MOST PLEASANT CITY & DEFINITELY STUDENT'S SWEETHEART!

Tbilisi is the capital and the largest city of Georgia. A well-known urbanized Mega city, with bigger choices and opportunities for all its local people, tourists, students and the immigrant community crowned with the classic Georgian heritage and European buildings touched by the countryside style.

It is the beating heart of Georgia and definitely student's sweetheart and tourists first destination when visiting in Georgia.

A unique city with a panoramic view that melt hearts with its urbanized streets, modern Infrastructure, leafy squares, clean lakes, and green valleys. It is home to largest, most modern and world-renowned universities such as the Georgian National University – SEU.

According to the statistics of the Ministry of Education and Science, almost all of foreign students Study in Georgia, 95% in Tbilisi.

BUDGET RADAR ON TBILISI

The Mega City, Georgia

Yet, it is the most important thing to know “Is living in Tbilisi, Georgia affordable for all?” Well, this is a “Million-Dollar Question” of parents and students.

Living a quality life in Georgia is sensible. It is not that cheap or costly. It depends on how smartly one manages a decent and comfortable life. However, while in the country, you may maximize and enjoy the wide-range of amazingly-interesting places starting from countryside markets and mini-shops to the most expensive hotels with its luxurious styles.

The currency of Georgia is the Georgian Lari. The good thing about the Georgian Lari is that it equals to 1GEL = Rs 23. This comes as good news for budget travellers, tourists, and of-course for the students and residents too.

RESTAURANTS

You can find the flavours of home across the state at restaurants and grocery stores specializing in food from Africa, Asia, Europe, India, Latin America, the Mediterranean, and many more.

Everyone agrees that food is cheap in Georgia. Most of the good restaurants offer delicious meals at affordable prices, whether if it is street food or at fancy restaurants. Not to mention, readily available and affordable accommodation/motels and hotels for all clients.

MONTHLY EXPENSES

According to Georgian Government the Official average monthly expense is estimated at \$250 - \$350 US Dollars including Accommodation & Food. This is another proof that living in Tbilisi, Georgia is affordable for Students, locals and visitors.

HOSPITALITY

Among many good things, Georgia is a socially tolerant country. Georgians are predominantly Christians who have hospitable culture. Georgians are welcoming to people of different nationality, religions, race, ethnicity and social status. This is why Georgia remains a top tourists' destination and a favourite destination of International students.
